

## Capacity to Lead and the Belief in Change

As you look to grow, strengthen and empower teacher leaders, use this worksheet to identify the core beliefs of teacher leaders and the capacity to lead change. It is recommended that the group of teachers work together to identify the overarching beliefs and capacities. This is a great activity to encourage collaboration – a critical component to effective teacher leadership and a high-performing school culture.

| Teacher Leaders Believe:   | Teacher Leaders have the Capacity to:                           |
|--|---|
| <b>Example:</b> <i>Collaboration leads to increases in student achievement</i> | <b>Example:</b> <i>Clearly communicate the school's vision.</i> |
